

# Ansell Utility Glove

GENERAL PURPOSE

**Latex/nitrile blend, powder-free, re-usable utility glove with added protection from an extra-long cuff for everyday cleaning**

## KEY FEATURES & BENEFITS

- 330 mm extra-long cuff for added protection
- Protects from chemicals and harsh materials including acids, oils, disinfectants, detergents and abrasives
- Diamond-embossed external surface provides sure and secure grip handling of cleaning equipment
- Left and right hand specific design for a better fit

*CAUTION: Safe use of these gloves by latex-sensitized individuals has not been established. This product contains natural rubber latex, which may cause allergic reactions.*

## RECOMMENDED FOR

- General purpose cleaning
- Handling chemicals and cleaning materials
