Becton Dickinson and Company	

August 30, 1999

To Whom It May Concern:

Thank you for your inquiry for any of the following Material Safety Data Sheets: Bard-Parker® Blades, Scalpels and Handles, Cholangiocath®, CholangioLAPcath®, Heimlich Chest Drain Valve, Dry Scrub Brushes/Sponges, LeVEEN™ Peritoneo-Venous Shunt and other BD items.

Our current understanding of applicable regulations is that Federal law exempts products subject to the labeling requirements of the Food and Drug Administration from complying with the Hazard Communication Standard. In addition, it is our understanding that most state right-to-know laws similarly exempt such products from their scope. Accordingly, the above items are classified as "Articles" and therefore do not require Material Safety Data Sheets.

Again, thank you for contacting us regarding these products and if you have any questions, please contact us at 1-800-333-4813.

Sincerely,

Quality and Regulatory Systems Department  
Becton Dickinson Division  
1 Becton Drive  
Franklin Lakes, New Jersey 07417
