## The Cardinal Health™ PROTEXIS™ Surgical Gloves promise:

### We protect so you can perform.

As a leader in the industry with more than 50 years of surgical gloves experience, Cardinal Health is dedicated to providing protection, performance and expertise so wearers can perform confidently and focus on their patients.

**Help maximize storage space:** Half-fold packaging design reduces packaging material<sup>5</sup>

**Storage recommendations:** It is recommended that gloves are properly stored away from light and extreme temperatures. Gloves should also be protected from direct exposure to ozone-generated devices such as fluorescent lights, electrical motors and x-ray devices.

**Expiration:** 35 months from date of manufacture. Expiration date is printed on packaging.
