

Curaplex® Defibrillator Pads

Be ready when your next cardiac emergency demands it. Designed to offer you superior quality, flexibility and value, Curaplex® offers defibrillator pads for most of today's leading AEDs and Monitor/Defibrillator brands.

Simply locate your device(s) or current defibrillator pads on the following page and use the reference guide to find the Curaplex® defibrillator pads to meet your needs.

- Radiotransparent and radiotranslucent “one-pad system” enables pads to remain with the patient as they move through various care environments
- Features a 60 inch lead wire
- Polymer adhesive gels provide outstanding contact, while offering uniform current distribution and more effective defibrillation and pacing
- No latex was used in the manufacturing of this product
- Easy to read instructions, cautions and warnings located on packaging exterior
- Color coded packaging matches accessories to defibrillator manufacturer
- Easy open peel pouch and tear notch packaging
- Three year shelf life
