Welch Allyn[®] CP 150TM Electrocardiograph
with Optional Spirometry
Simple, fast, connected

Help your practice run more efficiently with the Welch Allyn® CP 150™ Resting ECG.

Simple, streamlined ECG testing designed to help you improve workflows and get more from your investments.

The CP 150 ECG combines the best traditional box ECG features (e.g., full-size printouts and clinical decision support with MEANS interpretation) with connectivity enhancements designed especially for your practice's needs.

94% of CP 150 ECG users surveyed

say the touchscreen display and simple user interface have helped them improve their practice efficiency.¹

WelchAllyn

WelchAllyn

SIMPLE

- Intuitive touchscreen display for more accuracy.
- Lead quality display identifies connection problems before completing a test.

FAST

- Instant-On Feature helps eliminate typical start-up delays.
- Large display provides preview options for three-, six- or 12-lead ECGs.
- ECG Print Preview verifies test quality prior to printout.

CONNECTED

- Wireless connectivity increases device mobility and utilization.
- Share results immediately via EMR/VIS/PACS.
- Meets data encryption standards for patient information security.

Connectivity options tailored to enhance your practice's workflow efficiency

- Wireless PDF transfer to network folders.
- DICOM®* conformance enhances interoperability with multiple DICOM-compatible platforms.
- Bidirectional workflow with your EMR/CVIS** or PACS*** without the middleware.
- Reduce patient data re-entry by importing the DICOM modality worklist.

Spirometry Option

The CP 150 ECG lets you perform two reimbursable diagnostic exams with one device. Help manage your COPD patients and maximize HEDIS scores with a spirometry solution that includes automatic interpretation and reversibility analysis. Plus, you can customize report formats and screen displays to meet your workflow needs.

- Perform FVC and pre- and post-BD testing with automatic interpretation and reversibility analysis.
- Customize report formats and screen displays to fit your needs and workflow.
- Ambient sensors can eliminate the need for the user to find and enter values for temperature, pressure and humidity.
- Manage patients with COPD to help you maximize HEDIS scores.

ORDERING INFORMATION (Selected device configurations****)

Part Number	Description
CP150A-1ENB	CP 150 Interpretive Electrocardiograph
CP150AW-1ENB	CP 150 Interpretive Electrocardiograph with Wireless Capability
CP150AS-1ENB	CP 150 Interpretive Electrocardiograph with Spirometry
CP150AWD-1ENB	CP 150 Interpretive Electrocardiograph with Wireless capability and DICOM

ACCESSORIES

Part Number	Description
715006	ECG Multifunction Electrode Adapter
108071	Tab Electrode Case (5000)
108070	Snap Electrode Case (300)
105353	CP 150 Recording Paper (1000 sheets)
719653	10-lead Patient Cable, AHA Banana, CP 150
105341	CP 150 Office Cart
105342	CP 150 Hospital Cart
105343	CP 150 Cable Arm & Shelf

SMARTCARE™ SERVICES

Part Number	Description
S1-CP150-PRO-1	CP 150 SmartCare Protection 1YR Post Sale
S1-CP150-PRO-3	CP 150 SmartCare Protection 3YR Post Sale
S1-CP150-PRO-PS	CP 150 SmartCare Protection 3YR Point of Sale
S1-CP150-SP-PRO-1	CP 150 Spiro SmartCare Protection 1YR Post Sale
S1-CP150-SP-PRO-3	CP 150 Spiro SmartCare Protection 3YR Post Sale
S1-CP150-SP-PRO-PS	CP 150 Spiro SmartCare Protection 3YR Point of Sale

SPIROMETRY ACCESSORIES

Part Number	Description
105660	Spirometry Upgrade for CP 150 (works with any standard CP150A-1ENB or CP150-1ENB configuration)
720705	Disposable Flow Transducers, 25 pk, CP 150
720706	Disposable Flow Transducers, 100 pk, CP 150
410370	Spirometry Pressure Tube and Handle

Warranty Information:

CP 150 Electrocardiograph – 3 years

Patient Cable/Battery – 90 days

Spirometer – 1 year
