This document is in response to your request concerning the Goods listed above per California Proposition 65.

To the best of Owens & Minor Halyard's knowledge, the products listed above are in compliance with Proposition 65, and reasonably anticipated use of these products will not result in exposure to any Proposition 65 chemicals that would require a Proposition 65 warning. This information is based on the Suppliers of the Materials that are used in the manufacturing of the products.

We trust this information provides you with assurance of Owens & Minor Halyard's commitment to provide safe and effective products to our customers.

Sincerely,

Joyce V. Lee, PhD, CQA
Senior Toxicologist
Owens & Minor Halyard Inc.
