

3M™ Littmann® Snap Tight Soft-Sealing Eartips

Commonly Asked Questions

Question:

Which type of eartips do I need?

Answer:

Ribbed eartubes on all Littmann stethoscopes manufactured after May 1994 offer a “Snap-tight” fit that will not loosen during routine use. Littmann stethoscopes manufactured before May 1994 feature a threaded eartip design.

Please note: “Threaded” eartips have been discontinued and are no longer available.

Question:

How do I determine the color of eartips to order:

Answer:

Black is used for black tubed stethoscopes. Gray is used for gray or colored tubed stethoscopes. Firm tips are available in gray only.

Question:

What is the charge for parts for my 3M™ Littmann® stethoscope?

Answer:

Please call the 3M Health Care Service Center at 1-800-292-6298 for item pricing. The Service Center accepts Visa, Mastercard and American Express. All orders are shipped by First Class Mail.
